

FLEXIBLE MARKING

ANYWHERE YOU NEED

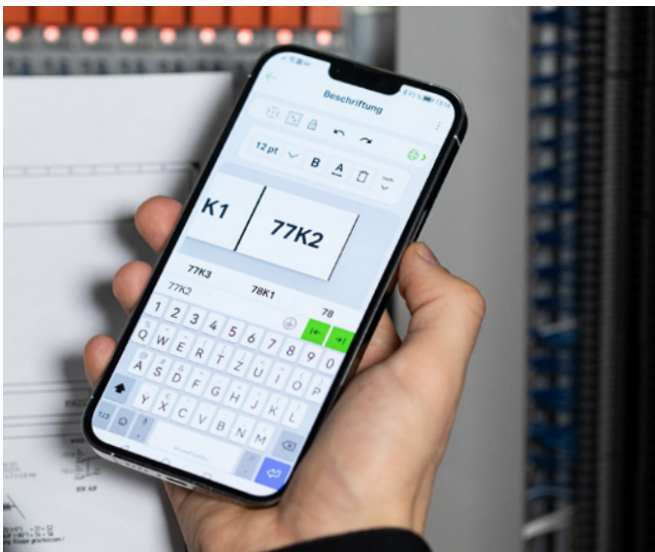

THE MOBILE WAGO MARKING SYSTEM

Your Ideal Companion for On-Site Marking

On construction sites or in the shop floor, terminal blocks, conductors and devices often need quick marking for clear organization and identification. Our new mobile WAGO Marking System – featuring the WAGO Thermal Transfer Smart Printer, a free WAGO Marking App and a matching bag – is your reliable companion for marking control cabinet materials on the go.

Make real-time adjustments directly on-site with ease, and continue using the Smart Printer with your PC when needed.

Easy Marking via App

- Work on and print projects anywhere, even without an internet connection
- Insert text effortlessly and use automatic suggestions for quick printing
- Access and print prepared desktop projects directly from the app

Go to the app:

Printing via *Bluetooth®* or WiFi Dongle

- Control the WAGO Thermal Transfer Smart Printer using a *Bluetooth®* Dongle or WiFi Dongle
- Enhanced storage capacity with the Linux® motherboard
- More precise sensor calibration through guided adjustment using a measuring tape

Go to the software:
